Student/Faculty Clinical Passport Requirements

This is a digital PDF and should not be handwritten.

By contract with your academic institution, all students and faculty participating in learning experiences at this healthcare site must meet the following health and safety requirements. The academic institution is responsible for ensuring that requirements have been met **prior** to participation in the clinical experience. Records will be kept at the academic institution and random review by the clinical affiliates will occur on a regular basis. *Documentation must meet requirements at all times.* Required immunizations must include mm/dd/yyyy if available.
