## RADIATION THERAPY (RADON) PREREQUISITE TRACKING SHEET

Use this form to track your prerequisite courses. If you have courses that you are still completing winter quarter leave the grade column blank but make sure to include anticipated time of completion under the Qtr/Sem & Year Column. Having this form filled out and on hand will make it easier for you to complete your Radiation Therapy (RADON) CAS online Application. A minimum grade of 3.0 (B) is required on each prerequisite course. Remember to save the completed file before uploading to your CAS application.
