

# SPS Feeding Sites During COVID-19 School Closure

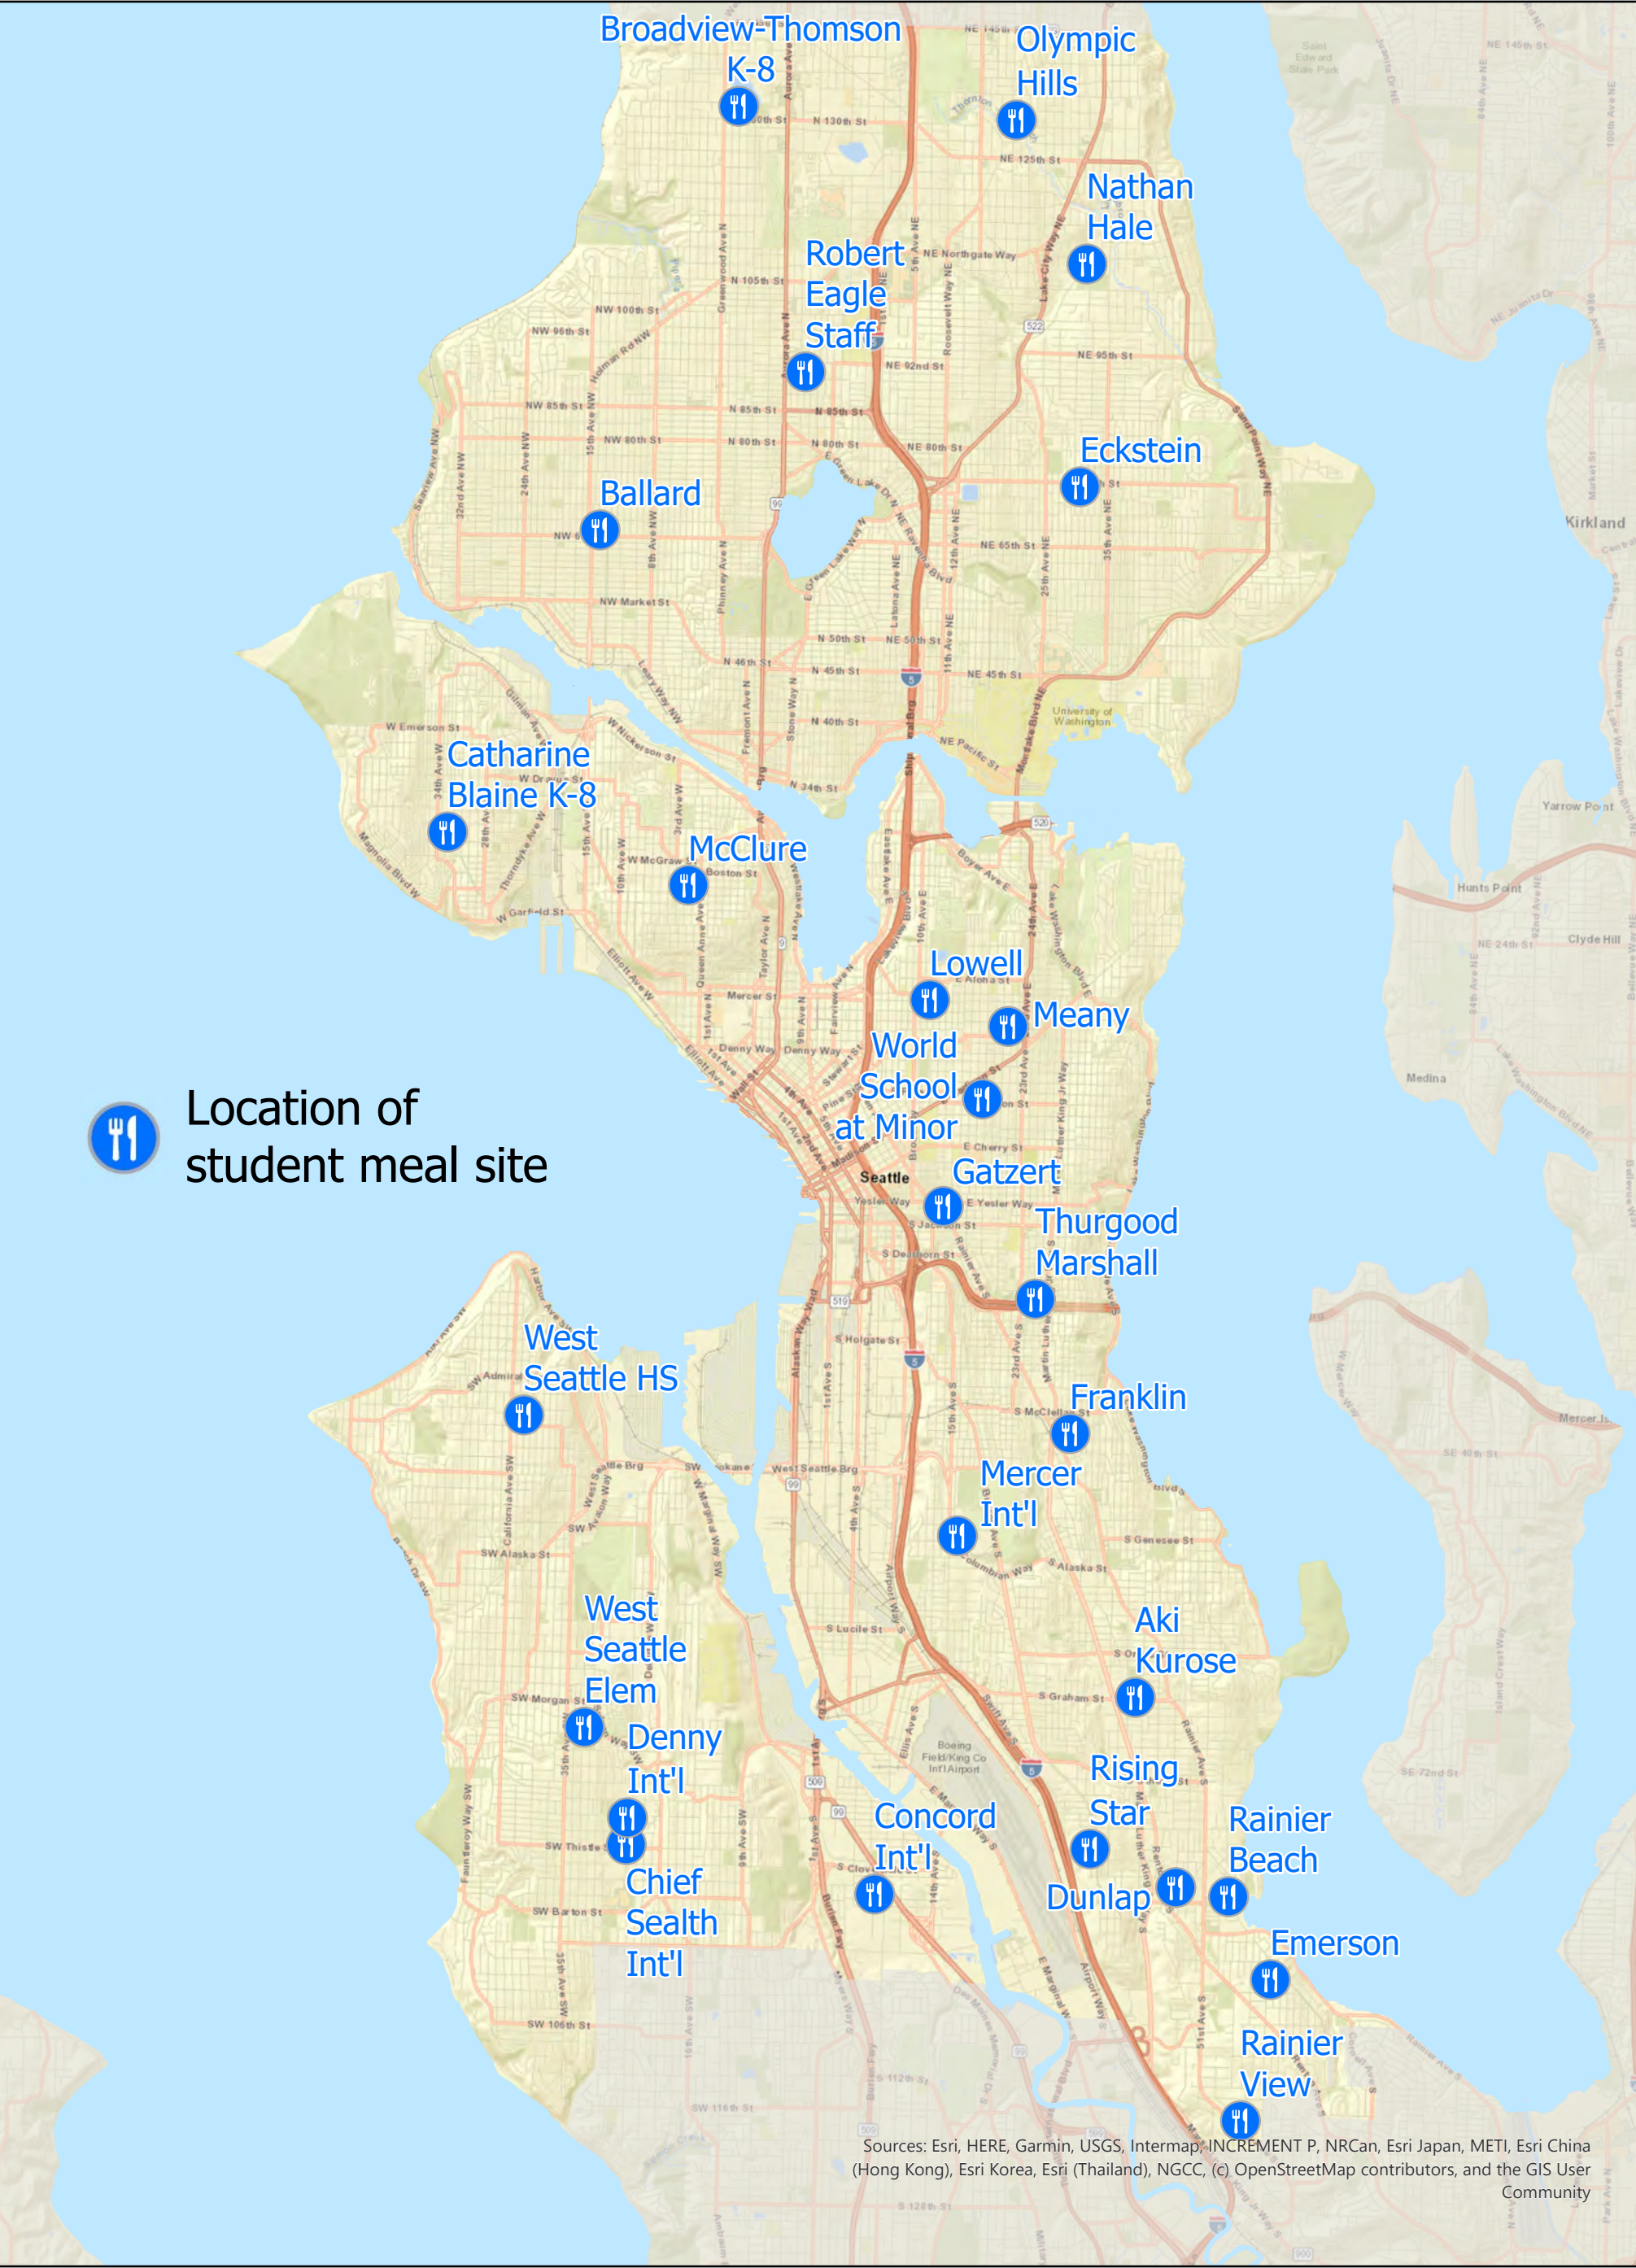

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

This document provides the maps showing which Seattle Public Schools are feeding sites during the COVID-19 related school closure.

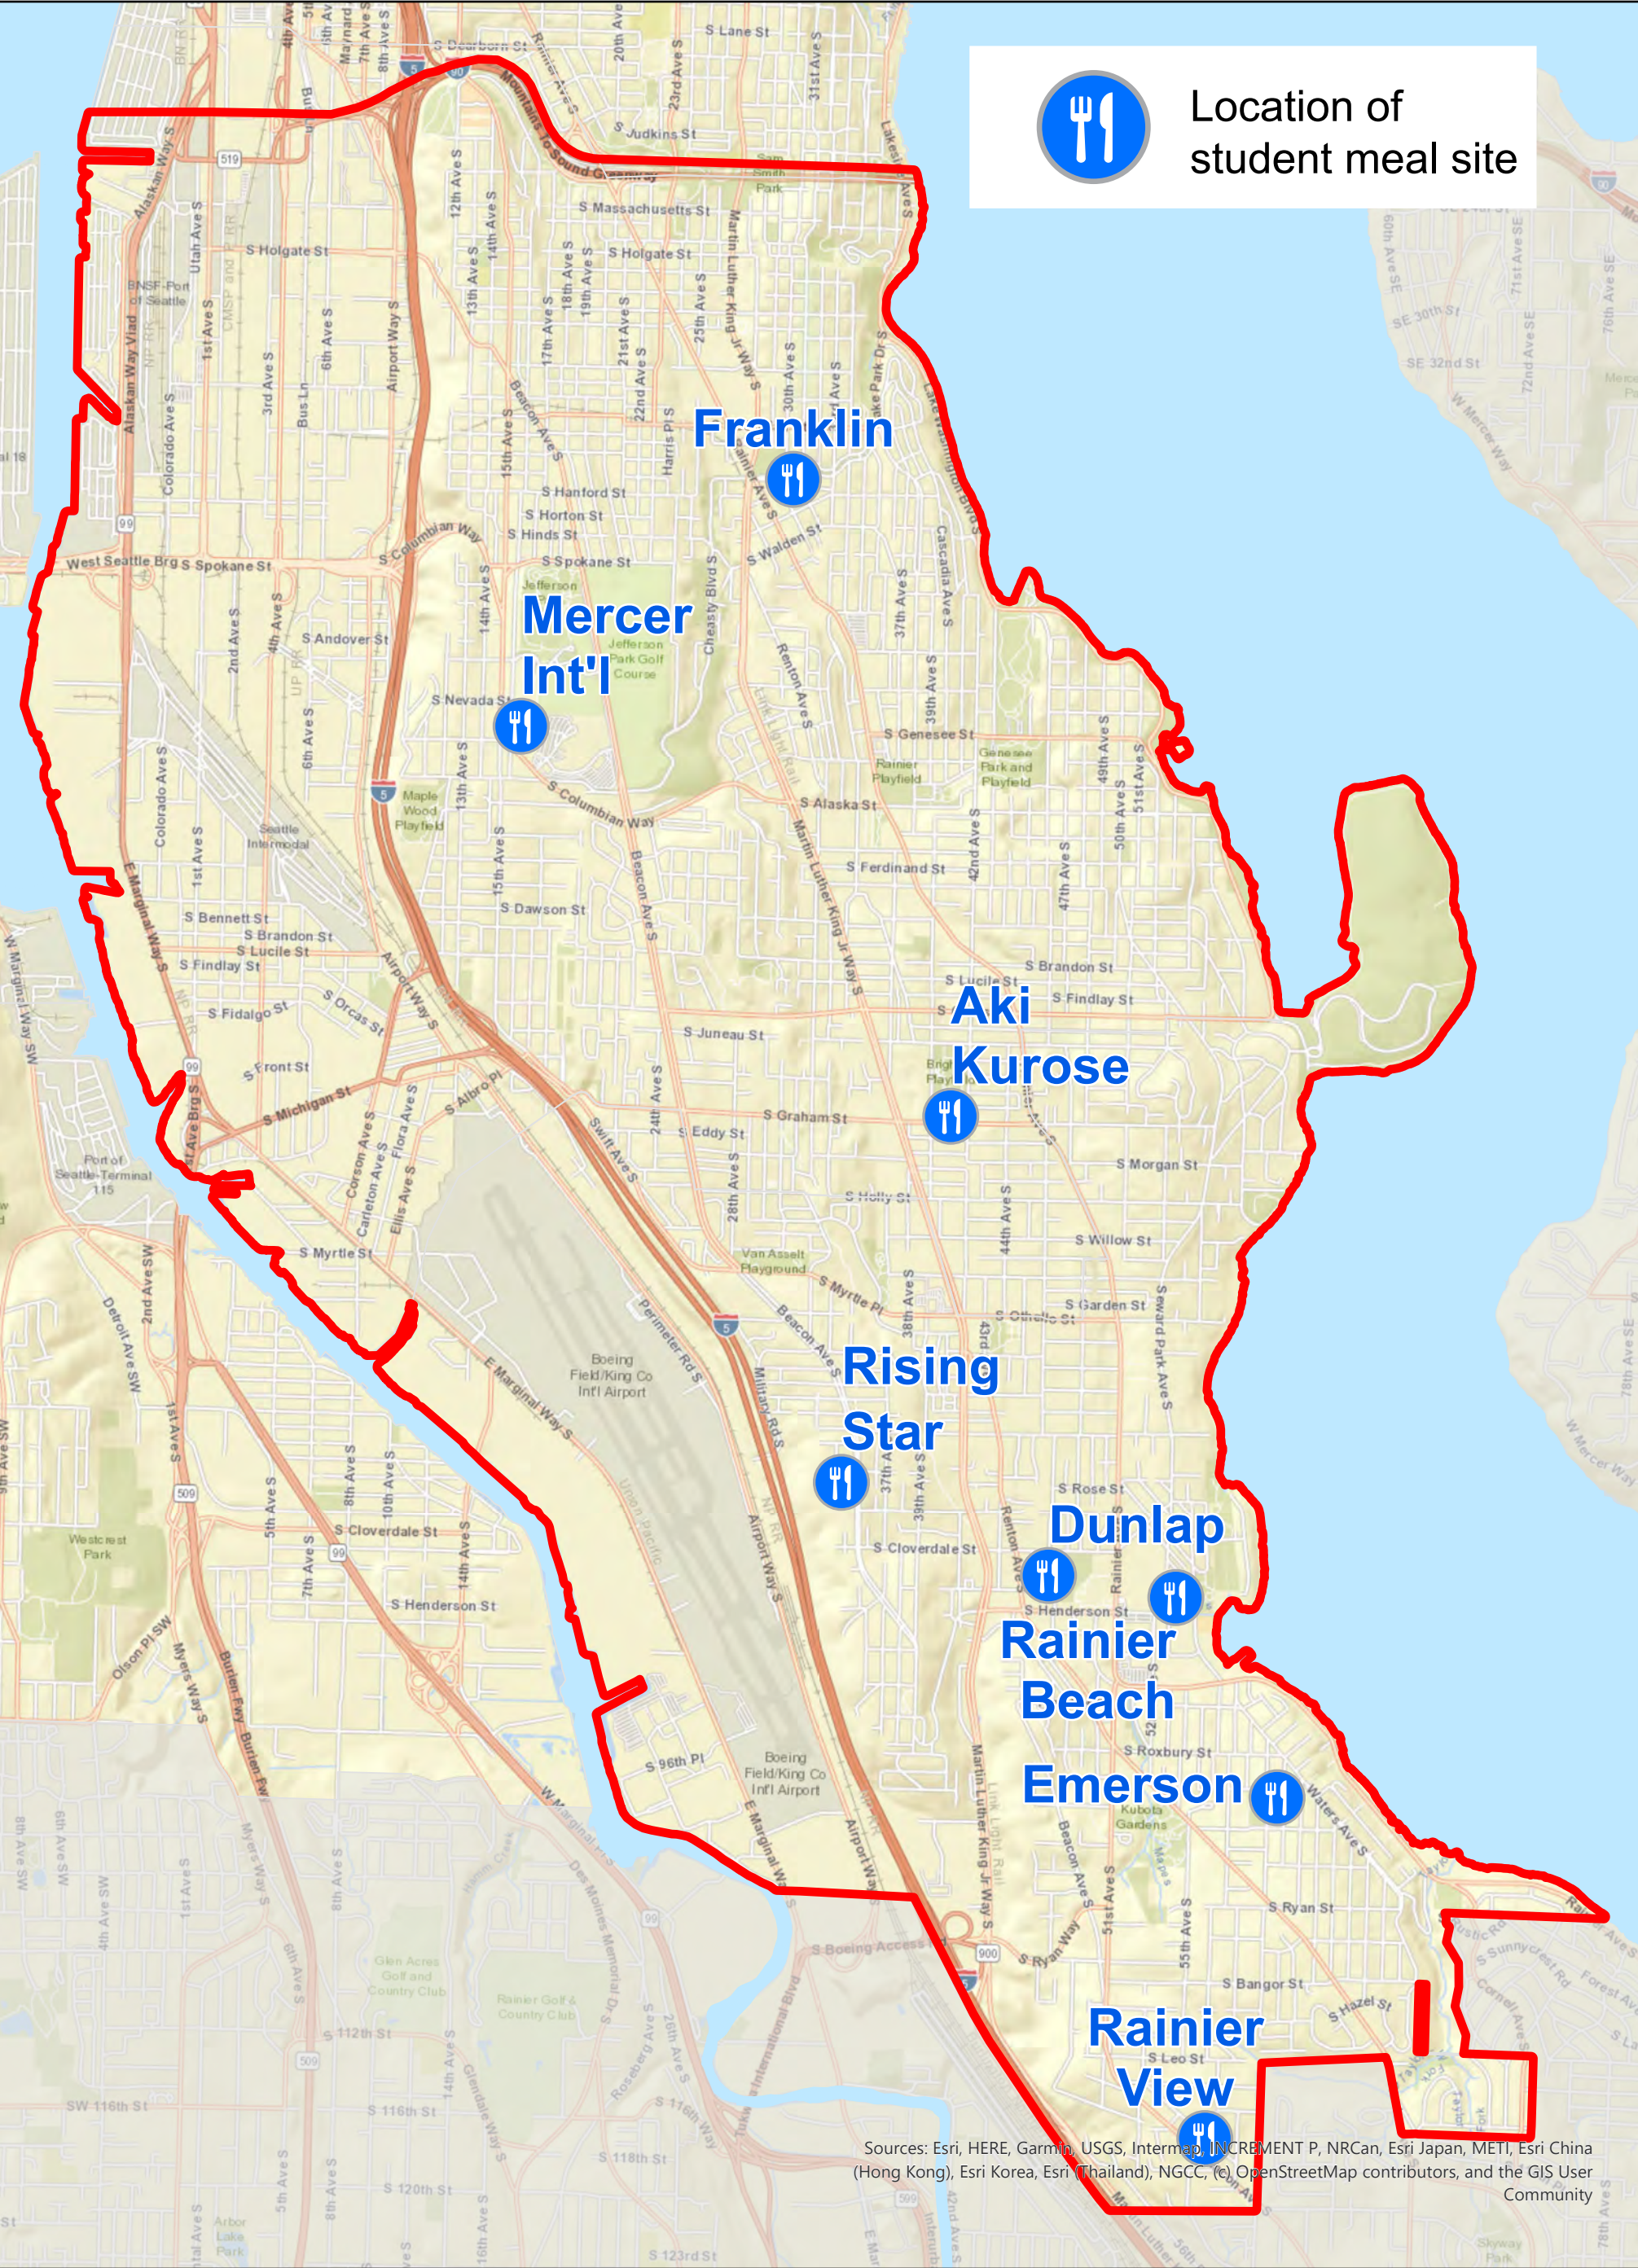

If you are having difficulties reading this document, we have provided the same information in an accessible format on the [COVID-19 Family Resources Webpage on the district website](#).
