TEST FEST

Information Technology Specialist—Free Certification Event

TEST FEST
Saturday, May 13, 2023
8:30 a.m. - 3:00 p.m.

C Building, Bellevue College Campus

Registration required: bellevuecollege.edu/ibit/testfest

Bellevue College is pleased to partner with Certiport and the Washington State Library to offer high school juniors and seniors, college students, and community members the opportunity to **get Information Technology Specialist certifications at no cost.**

The Certiport Information Technology Specialist Test Fest is ideal for students looking to validate their technology skills and enhance their resume to stand out on college and job applications. Test Fest helps ensure students have the skills needed to utilize the technologies for college classes or future career opportunities.
