

Accessing King County Library Resources

Did you know that you have access to online resources through the King County Library System (KCLS)?

What does this mean?:

- You get FREE access to online resources like eBooks, databases, newspapers, magazines, audiobooks, streaming movies, TV shows, and documentaries.
- This access does not mean you can check out physical library materials from a KCLS branch.

HOW CAN YOU ACCESS THESE RESOURCES?

For a step by step photo tutorial, click the link or scan the code to the right:
