## Become a Highly Trained Peer Mentor for Autistic and Neurodivergent College Students!

We are hiring NOW for Summer and Fall 2022

As an educational program of the [RISE Learning Institute](#) and the [Center for Career Connections, Neurodiversity Navigators](#) creates a safe space for students to explore their neurodivergent and other identities, while providing access and educational supports. We also support the campus and community in understanding and supporting students, faculty, and staff with neurological differences.

### Are you:

1) An enrolled university undergraduate Junior, Senior, (or recent graduate) pursuing a degree in:

- Social Work
- Psychology
- Nursing
- Speech Language Pathology
- Occupational Therapy
- Special Education
- Disability Services
- Or a related field?

2) Looking for experience/education in Autism/Neurodiversity?

3) Needing a well-paying part-time job? (Work Study accepted!)

### Do you have:

- 10 or 15 hours a week to work? (Flexible hours – set your own schedule!)
- Reliable transportation and/or internet access? (Bus-accessible, some virtual work available)
- A willingness to learn?

If you can answer "YES" to these questions, we have an exciting opportunity for you at Bellevue College, working one-on-one with students! You will receive paid ongoing training, hourly pay, and documentation of your work experience. There is potential for free internship credit as well! This is a valuable opportunity for the right person. More information: [www.bellevuecollege.edu/autismspectrumnavigators/](http://www.bellevuecollege.edu/autismspectrumnavigators/)

To apply: 1) Go to BC's [careers site](#). 2) Select the New User link to create an account or sign into existing account. 3) Review job description and select the Apply button to begin your application.
