

- **Online Scheduled** = virtual class meetings held on specific days at specific times. May include asynchronous activities (without a set time). May require remote proctored exams. Zero required time on campus.
- **Online Scheduled with In-Person** = virtual class meetings held on specific days at specific times. Non-instructional in-person activities such as orientation, assessment and/or exam are required. (OW)
- **Online Asynchronous** = all required instruction occurs online without a set time to attend but within a specified time frame. The instructor may choose to offer optional synchronous sessions where attendance is not required. May require remote proctored exams. (OA)
- **Online Asynchronous with In-Person** = all required instruction occurs online without a set time to attend but within a specified time frame. Non-instructional in-person activities such as orientation, assessment and/or exam are required.
- **Hybrid** = displaces some, but not all face-to-face instruction time with asynchronous use of web-based tools. (HY)
- **Flexible** = meets at specific days and times, both online and on campus; students may switch modes throughout the term. (FL)
- **In-Person** = meets on campus with scheduled meeting times and uses web-based tools. (WE)
