Campus Services for Student Support

Benefits Hub

The Benefits Hub provides a range of free financial services for students, faculty, and staff, including emergency assistance, personal finance tutoring, tax preparation, financial aid, and more.

Counseling Center

The Counseling Center offers free, confidential, and culturally responsive personal mental health, educational, career, and drop-in crisis counseling to all enrolled students. Faculty/staff consultations regarding student mental health issues are also provided.

Disability Resource Center

DRC provides advocacy and classroom accommodations for students with documented disabilities. This includes specialized materials, technology, and equipment.

Multicultural Services (MCS)

MCS provides culturally sensitive support services to BC students in the area of academic skill-building development, faculty and peer mentorship, student advocacy, information sharing, connecting to resources, and community building.

Neurodiversity Navigators

Neurodiversity Navigators (NdN) provides advocacy, communication support, and cohort educational opportunities to all BC students who identify as neurodivergent. Faculty/staff consultations regarding communication and classroom management are also provided.

The Queer & Trans Resource Center

The Queer & Trans Resource Center fosters a safe, inclusive, and affirming environment at Bellevue College for students, staff, and faculty of all identities across the gender, sexual, and romantic spectrums.

Veterans Program

Bellevue College's Veterans Program is designed to assist military service members and their families with their journey through college, career, and beyond.

Share Concerns

Share a Concern about someone's health & wellbeing with the CARE Team, send an Early Alert for Academic Support, share concerns about hate crimes, bias incidents, sexual harassment, hazing, abuse or neglect of a vulnerable person, and other concerns.
