Years IDS Experience

1. Applicant(s) Information:

Name

						0 1 2 3+
						0 1 2 3+
						0 1 2 3+
						0 1 2 3+
2. A team with no previous IDS experience must have an IDS mentor. Already have a mentor: Please assign us a mentor.						
3. V	3. What is the working title or theme of your interdisciplinary course?					

4. Courses Included:

Course ID		Course Title	Transferability			
Department	Number		General Ed.	Elective	Pre- College	

Where there is appropriate faculty expertise, designing an IDS course with fluid credit options (e.g. developmental AND college-level English or multiple science/social science options) is highly encouraged to provide students flexibility in building their schedule. Please list the options below.

Foi	rmat: Course X AND (Cour	se Y OR Course Z) Example: SOC 101 AND (ENGL 092 OR ENGL 093)			
Tota	Fotal number of credits and class size:				
	<u> </u>	☐ 10 credits - 42 students☐ 15 credits - 60 students			
	Other (Please explain)				
_					
5.	Rationale for Course Theme What prompted the idea for this course?				
	Interdisciplinary Nature	In what way are the subjects complementary and how will they be interwoven?			
	Learning Outcomes	Please list the primary learning outcomes.			

	Learning Activities & Assessments	Describe the type of course activities: assi (experiential, service, or field learning), as			
. Please provide a 50-word course description that will appear in the BC course schedule and promotional material. Write to and for the student audience.					
7. Describe the students to whom the course appeals or is directed. Explain why y course will fill if approved and why these learners are likely to enroll in the course.					
		Ity to participate in promoting the cour			
describe your strategy and plan for advertising and recruiting. Identify team members brief advising staff, the classes you plan to visit, the plans for posters, flyers, and/or be Please remember that printing funds are very limited.					
	Specify any additional costs that you foresee for the course; for example: guest speaker, posters, field trips, etc. Please discuss funding options with your IDS mentor.				
). F). For which quarter/year are you planning your course?				
	First Choice	Second Choice	Third Choice		
	Fall Winter Spring	20 Fall Winter Spring 20	Fall Winter Spring 20		
	Are there limitations with regard to the specific quarter that your course can be offered? Explain:				

11. List your preferred schedule, in terms of days/week and hours/day. Due to space constraints, flexibility in scheduling IDS throughout the day and evening and throughout the week is often

required. Please note traditional schedules (M-F), odd-mod schedules, trip reduction, or hybrid online course formats may be possible.

Tuesday	Wednesday	Thursday	Friday
	Tuesday	Tuesday Wednesday	Tuesday Wednesday Thursday

12. Please attach a brief biography of each a later date.	n instructor for the IDS website. Photos will be requested at
be sure to build in an adequate amount of	nd department chairs is required for this process. Please of time to acquire that approval and those signatures—at
least 48 hours. **during Covid-19 electrons Approved by:	Tornic signatures are anowed.
