Related Instruction for BC Certificate of Achievement: Programs of study which are an academic year or more in length for which certificates are granted contain a recognizable body of instruction in program-related areas of 1) communication, 2) computation 3) human relations. Instruction may be either embedded within the program curriculum or taught in blocks of specialized instruction. Additional topics which are covered as appropriate include safety, industrial safety, and environmental awareness.

All courses for OLS-Venture are Pass/Fail. OLS uses a grading system that measures performance indicators directly related to 21st Century Skills and BC approved course outcomes. The student receives a final report with instructor's narrative of student's performance in the course. At least 70 % of the performance indicators and 70% of the course outcomes for each course are required to be met to receive a passing grade (P).
