NURS 234Z	Professional Role Transitions Clinical	6						
TOTAL		72						
GRAND TOTAL		116						

Please complete this form prior to meeting with the Program Chair for signature. Completed form must be submitted to the Evaluations/Graduation Office when applying for graduation.

Program Chair: _____

Date: _____

Nursing 2014-2015 Associate in Applied Science-T (continued)

DEGREE REQUIREMENTS

Must earn a cumulative GPA of 2.00 in all coursework taken at BC, and in all courses applied to the degree. A minimum of 30 credits of the total must be completed at BC.

TRANSFER CREDITS

For credits from other institutions, meet with a faculty advisor or curriculum advisor for an initial unofficial transcript review.

For an official review, submit a Petition for Exception to Degree or Certificate Requirements and an official transcript(s) in the prior institution(s) sealed envelope to the Program Chair.

Petition: <http://bellevuecollege.edu/services/>
Program chairs:
www.bellevuecollege.edu/classes/all/

NON-TRADITIONAL CREDITS

BC awards non-traditional credit for prior learning. Credit may be awarded for work completed in private study, at non-accredited institutions, or for certificate/training. Credit is awarded through examination, evaluation of certification/training, or submission of portfolio or other form of assessment. To apply for the credits, students must be registered at the college for the quarter in which non-traditional credits are requested and have completed ten quarter credit hours at the college. For more information, go to

<http://bellevuecollege.edu/enrollment/academic/nontraditional/>

STAYING ON TRACK

Use Degree Audit to track your progress toward completion of this degree at bellevuecollege.edu/degreeaudit

Please refer to <http://bellevuecollege.edu/programs/degrees/> for latest degree updates and further information.

GRADUATION APPLICATION

Students must apply for graduation. Submit your graduation application form two quarters prior to the expected graduation date and pay the application fee.

Application deadlines:

- Fall: June 1
- Winter: October 10
- Spring: December 10
- Summer: March 15

DESCRIPTION

The AAS-T combines technical courses required for job preparation and college-level general education courses. These degrees are designed for the dual purpose of immediate employment and preparation for the junior year in a Washington state bachelor of applied science (BAS) degree program. The AAS-T degree generally will not be accepted in transfer-in preparation for bachelor of arts or bachelor of science degrees although the general education component of the degree will be accepted in transfer.

Once required prerequisites are completed, the 6-10 quarter selective admissions nursing program prepares students to become registered nurses (RN). Ac-credited by the National League for Nursing Accrediting Commission (NLNAC) and approved by the Washington State Nursing Care Quality Assurance Commission, the curriculum provides didactic education and clinical experience in medical, surgical, pediatric, behavioral health, maternity, and gerontological nursing. To be considered for acceptance into the program, students must follow specific admission guidelines, published annually at <http://bellevuecollege.edu/nursing/>.

Students in the Nursing Program must earn a C (2.0) or better in all courses required for a degree or certificate.

Learning Outcomes

Degree recipients should possess the skills and abilities described below:

- Apply the standards of professional practice, be accountable for their own actions and practice nursing within legal, ethical and regulatory frameworks.
- Assist the client to manage change, develop more satisfying interpersonal relationships, and integrate new knowledge and skills.
- Collect information in an orderly fashion from multiple sources to establish a foundation for provision of nursing care, identify available resources and perform ongoing assessment to meet the client's changing needs.
- Identify individualized solutions and deliver accurate, safe care that moves the client and support person(s) toward positive outcomes.
- Create an environment in which cultural values, beliefs, and lifestyles of the client are respected.
- Promote and facilitate informed decision making, and support self-care activities of the client.
- Collaborate with the client and health care team in planning and delivering care.
- Manage client care through efficient, effective use of human, physical, financial, and technological resources.
