RN to BSN Program

DESCRIPTION

The Bachelor of Science in Nursing Program (RN to BSN) is designed for students with an associate degree in nursing. The RN to BSN nursing program curriculum expands knowledge and skills in evidence based practice, community health, professional communication, leadership, and health information technology (HIT), as well as healthcare systems and policies. Learning experiences are focused on individuals, families, groups and communities. Students have the opportunity to complete additional courses or fieldwork in specialty areas such as global health, leadership, community health and health information systems.

Learning Outcomes

Degree recipients should possess the following skills and abilities:

- Evaluate and apply evidence-based research to clinical practice
- Appraise protective and predictive factors, including genetics, which influence the health of individuals, families, groups, communities and populations
- Develop and implement creative strategies to enable systems to change
- Negotiate and resolve conflicts to support professional, positive working relationships
- Utilize intra- and inter-professional resources to resolve ethical and other practice dilemmas
- Assess and fully utilize sophisticated healthcare information management systems to maximize patient outcomes

STAYING ON TRACK

Use Degree Audit to track your progress toward completion of this degree at bellevuecollege.edu/degreeaudit

Please refer to <http://bellevuecollege.edu/programs/degrees/> for latest degree updates and further information.

DEGREE REQUIREMENTS

Completion of all required courses as shown in the worksheet on the preceding page. In addition to eligibility requirements, students must also achieve the following:

- Complete a total of at least 180 applicable college-level quarter credits (including the 90 credits required for admission to the degree program).
- Maintain a minimum GPA of 2.0 in the general program and concentration requirements.
- Earn a cumulative GPA of 2.0 for all coursework applied to the degree, including credits transferred from other colleges.
- Complete at least 45 quarter credits for the degree in residence at BC, of which 30 credits must be upper division.

GRADUATION APPLICATION

Students must apply for graduation. Submit your graduation application form two quarters prior to the expected graduation date and pay the application fee.

Application deadlines:

- Fall: June 1
- Winter: October 10
- Spring: December 10
- Summer: March 15
