DESCRIPTION

The certificate in Computed Tomography (CT) Imaging formally prepares the Imaging Technologist in Radiologic Technology, Nuclear Medicine, or Radiation Therapy to work in a CT Imaging lab. The didactic courses are designed to prepare the student to sit for the Advanced Certification exam administered by the American Registry of Radiologic Technologists. The clinical practicum provides the student with the opportunity develop required competencies. Enrollment in the clinical practicum is not guaranteed and dependent upon grades, site availability, and approval. A selective-application process for the clinical practicum is utilized to align eligible students with the appropriate clinical site.

Learning Outcomes

Certificate recipients should possess the skills and abilities described below:

- Have completed required clinical competencies as identified by the American Registry of Radiologic Technologists
- Identify pertinent anatomy on images in all of the various planes
- Relate pertinent pathology to appropriate scan protocols
- Evaluate CT images as related to the exam requested and the pertinent clinical information
- Manipulate CT instrumentation to produce the desired image results.
- Adjust CT image protocols as necessary
- Demonstrate communication skills that create a positive clinical environment for the patient
- Demonstrate proper application of safety standards in the clinical environment

STAYING ON TRACK

Use Degree Audit to track your progress toward completion of this certificate at <http://bellevuecollege.edu/degreeaudit/>

Please refer to bellevuecollege.edu/programs/degrees/ for latest degree updates and further information.

GRADUATION APPLICATION

Students must apply for graduation. Submit your graduation application form prior to the end of the final quarter; there is no fee required for this certificate. Applications are available at http://bellevuecollege.edu/enrollment/graduation/apply/applications/Short_term_cert.pdf, and at the Enrollment and Registrar Services desk located in the Student Services building.

Submit application to Enrollment and Registrar Services on the first floor of the Student Services Building.
