Advanced Video Production 2014-2015 Certificate of Achievement (continued)

CERTIFICATE REQUIREMENTS

Must earn a cumulative GPA of 2.00 in all coursework taken at BC, and in all courses applied to the degree. Complete at least one-third of all the credits applicable toward the degree or certificate in residence at BC.

DESCRIPTION

The Advanced Track Video Production Training program at Bellevue College is a one-year on-the-job training program for individuals who either have some professional video or film experience or prior training in video production. "Class" consists of participating as producers or crew for Television Services productions.

Students receive training in all aspects of video production – from project design to production to post-production. This program gives students the opportunity to work with professional quality equipment and specialize in areas of interest. Admission to program requires application and interview.
