Alcohol & Drug Counseling 2014-2015 Certificate of Achievement (continued)

CERTIFICATE REQUIREMENTS

Must earn a cumulative GPA of 2.00 in all coursework taken at BC, and in all courses applied to the degree. Complete at least one-third of all the credits applicable toward the degree or certificate in residence at BC.

DESCRIPTION

The certificate in Alcohol & Drug Counseling provides the knowledge, skills and training required for counseling in the field of chemical dependency treatment. The program is designed for students completing state-defined requirements for licensure or certification as a chemical dependency professional (CDP), probation assessment officer (PAO), alcohol/drug information (ADIS) instructor and substance abuse prevention specialist (SAPS).

Learning Outcomes

Certificate recipients should possess the skills and abilities described below:

- Distinguish the four basic theoretical perspectives on the cause of chemical dependency and the specific theoretical understanding of chemical dependency outlined in the Revised Code of Washington
- Implement the core elements of assessment and diagnosis of chemical dependency
- Create and implement individualized treatment plans designed to assist alcoholic and drug addicted individuals to achieve and maintain abstinence from mood-altering substances
- Engage in the case management of alcoholic and drug addicted individuals referred to chemical dependency treatment by employers, families and the legal system
- Demonstrate understanding of various theoretical principles of one to one, group, relapse prevention and continuing care counseling
- Competently use the skills needed to effectively counsel alcoholic and drug addicted individuals in one to one, group, relapse prevention and continuing care counseling sessions
- Competently maintain the medical records of alcoholic and drug addicted individuals
- Demonstrate understanding of Federal and State laws related to the field of chemical dependency counseling including but not limited to confidentiality, mandatory reporting and the Uniform Disciplinary Act
