The Certificate of Accomplishment in Sales provides students with a broad introductory experience in marketing and sales. Courses in digital platforms, international marketing, advertising, and sales offer students instruction matching employer needs. The program requires students to assume a management viewpoint, and develop appropriate marketing strategies that employ their newly honed skills.

LEARNING OUTCOMES

Certificate recipients should possess the skills & abilities described below:

- Establish business and marketing objectives
- Provide customer service that supports long-term relationships with consumers
- Identify sales approaches that articulate marketing messages
- Translate objectives into integrated marketing strategies and tactics
- Optimize campaigns based on data inputs and identify actionable next steps
